

Garbage Collection

Industrial Disposal performs this service for our city through contract. Each resident should place their recycling, yard waste and garbage at the curb on Sunday evening for early Monday pick-up. Recycling is picked up every other week. 1 large item per residence will be picked up each week. Call ahead to inform ID.

Industrial Disposal 638-9000

PLEASE KEEP GARBAGE CANS OFF THE CURB

Please do not take your trash to the curb prior to Sunday evening. Return your garbage containers to the rear of your property as soon as possible once Industrial Disposal has emptied them. A cooperative effort will keep the unsightliness in our neighborhood to a minimum.

The City has an arrangement with Industrial Disposal for large item pickup once a year, in the spring. Place your heavy items at the curb after 6 PM Sunday.
