

**REPUBLIC SERVICES OF KY., LLC dba INDUSTRIAL DISPOSAL CO.
TRASH, RECYCLING, YARD WASTE SERVICES**

STANDARD ID GENERAL SERVICE OVERVIEW

TRASH SERVICES – ID provides only automated curbside trash service. We require each home use either 65 or 96 gallon ID standard rolling, hinged lid carts. Up to 2 carts are provided at NO charge. They have a lifetime repair or replace warranty. The carts provide a neat uniform look to the city and hinged lids stay attached. We ask that in as much as possible all trash be placed in the cart. We will pickup the occasional bags, boxes etc. from a move in, move out, party, holiday etc. We ask that if a home consistently has excessive weekly trash that they obtain an additional ID cart. ID will service certified city approved handicapped homes with no able body person in same home rear door service at no additional charge

BULK ITEMS: ID will pickup (1) bulk item per week at no charge . That item being: chair, couch, hot water heater, washer, dryer etc. (see junk pickup guidelines attached) Not construction / demolition / renovation material. We ask that the homeowner call ID Customer Service @ 638.9000 to notify us of bulk item set out to arrange pickup. Dumpsters are available for large projects and can be billed to homeowner. We will provide (2) community junk pickups annually at no charge (1) Spring (1) Fall.

RECYCLING SERVICES – ID provides automated curbside collection of recycling materials using ID provided carts either 65 or 96 gallon rolling hinged lid cart. Service is “every other week” 2x monthly for 4 week month. We now collect #1 – 7 plastics..virtually ALL household plastic materials plus the traditional recycling items , (see recycling guidelines attached) . We ask that cardboard boxes be broken / cut down as much as possible to fit into container or be manageable.

As part of our service we offer the FREE recycling rewards program RECYCLEBANK providing points for participation in recycling which are converted to discount coupons for products and services at local area merchants . See attached information or visit recyclebank.com

YARD WASTE SERVICES – all yard waste material must be either containerized, bagged or tied / bundled. No loose items left at the curb will be serviced. Branches cannot be more than 6” in diameter and cut into 4ft. lengths. Bagged leaves and clippings should be dry and bags must be strong enough to not rip when picked up. No bag or bundles more than 50 lbs maximum. Resident must not set out excessive numbers of bags (typical average 15 per week) . Homes have set out as many as 75 -100+ and expected all picked up on service day. We cannot finish our routes with that volume at one home.

STORM DAMAGE – Excessive winds, tornadoes, ice storms. ID is not a tree removal service. Basic guidelines still exist. We can provide community open top containers for tree damage from natural disasters which must be billed separately.
